World Gets Jittery as Russia Admits A-Bomb Development

A SCALE MODEL of Russia's conception of the atomic bomb is examined by Charles Gregg, Taunton, Mass., during a visit to the atomic exhibition in Washington sponsored by the Veterans of Foreign Wars. The model was constructed on the best available information on Soviet atomic research behind the iron curtain. (International Soundphoto)

Convent Planned Here By St. Colman's Church

Plans have been completed by members of the St. Colman Church here to stage a drive for funds to complete the purchase of a property to be used as a convent.

The property, known as the Wilson home at 223 East Street, will be remodeled and furnished.

Joseph Peters, superintendent at the National Cash Register Company here, has been chosen to head the drive.

George Sever, of the Sever-Williams Company, building contractors, has been chosen as treasurer and William Himmelsbach has been picked as secretary.

Goal for the drive is \$10,000. It will be raised by personal solicitation and by pledge cards. There are 19 members of the church who have volunteered to contact members of the church.

Father Otto F. Guenther, pastor of St. Colman Church, said efforts are being made to secure the services of three or four missionary sisters.

Father Guenther said if they are secured they will live at the convent and assist him in religious education and training of children of the parish.

He said there is good reason to believe that it will be possible to obtain the Sisters in the not too distant future.

Besides instructing Catholic children who attend public schools the Sisters will also teach adults and as the need arises care for the sick and poor.

Negotiations were completed recently for the purchase of the Wilson home, located next door to the parish, for \$14,500.

Those who have volunteered to assist in the campaign for funds are as follows: Howard Boylan, Emerson Chapman, Francis Doran,

Bob Helfrich, Gus McDonald, Jerry Molloy, Walter O'Brien, Paul Rodenfels, Ray Wilhelm, Mrs. Agnes Burke, Mrs. Regina Del Ponte, Mrs. Jean Gallagher, Mrs. Mary Himmelsbach.

Mayne Kruskamp, Mrs. Janet Loudner, Mrs. Virginia Loudner, Mrs. Jane McClain and Mrs. Mary Sallettes.

Taft Resumes Tour In Southern Ohio

BATAVIA, Sept. 26—(AP)—Sen. Robert A. Taft (R-Ohio), who yesterday urged a speedy return to friendly relations with Spain, resumes his 100-day tour of Ohio here today.

The senator's three-day itinerary will take him to Clermont, Brown, Adams, Scioto and Lawrence counties.

Taft, who heads the Senate's Republican policy committee, said in Washington yesterday he thinks Spain ought to be invited into the community of nations prepared to fight any advances of Communism.

He added that such a gesture toward Spain would be a step in strengthening North Atlantic defenses against a possible Soviet attack.

Taft, who spoke to an Associated Press reporter before he left for Ohio, said he isn't proposing any military aid be advanced to Spain.

He contended in fact, the foreign arms assistance slated for North Atlantic treaty nations under a pending bill passed by the Senate last week may be largely wasted because of Russia's development of atomic weapons.

LONDON, Sept. 26—(AP)—Reports of new uranium discoveries on both sides of the iron curtain—in Czechoslovakia and Spain—spurred talk of an atomic energy race now that Russia has atomic weapons.

These were the weekend developments in Europe following President Truman's announcement that the Russians had touched off an atomic explosion recently.

1. Tass, the official Soviet news agency, asserted Russia has had atomic weapons since 1947. It again said the Soviet Union was ready

for international control of atomic energy but didn't say what kind of control—a point that has balked American-Soviet agreement because previously Russia has insisted on a veto power over international inspectors.

2. Franco Spain, already possessing known uranium deposits, was reported to have found new veins of the ore from which atom bombs are made. This prompted speculation as to whether Generalissimo Franco would use his uranium store in bargaining for improved relations with the western powers.

3. A new uranium mine was reported opened in Czechoslovakia under the direction of Russian engineers. At least two Czech mines are known to be sending uranium already to Soviet Russia.

4. German scientists and uranium ore from East Germany helped the Russians develop their bomb, informed American and German sources reported.

Although the Tass announcement did not confirm or deny President Truman's disclosure of a recent atomic explosion in Russia, (Please turn to Page Two)

RED ROCKET BASES IN EUROPE

Relief Spending Getting Critical

Ohio Near Limit Conference Told

CINCINNATI, Sept. 26—(AP)—Ohio is entering a critical period in relief spending, the Ohio Welfare Conference was told at the opening session of its convention here today.

State Welfare Director John H. Lamneck addressed the conference. He said if the present level of relief spending continues for the rest of the fiscal year, the state will be able to pay less than half the total bill.

Lamneck, in making that estimate, said the increasing relief load was only one of the two grave problems facing his department.

The other, he said, is the constantly increasing number of commitments to the state's mental and penal institutions.

Lamneck said the relief expenditures in the state in August were 46 percent above those for the same month last year.

During all of last year, Lamneck told the conference, the total relief bill in Ohio was about \$16,600,000. For the fiscal year which began July 1, the legislature appropriated \$10,000,000 as the state's contribution to local subdivisions.

Demands for public assistance in other categories—aid to dependent children, aid to the blind, and old age assistance—continue to increase, Lamneck said. He cited the increase in old age assistance grants from \$39,000,000 in 1941 to the \$72,000,000 appropriated for the current fiscal year.

Police Victim, 27, Marries Canadian Vet

NEW YORK, Sept. 26—(AP)—Pretty Inez Basilio, confined to a wheelchair by polio for most of her 27 years, was wheeled down a church aisle yesterday to become a bride.

The dark-haired girl—her sweeping white lace wedding gown all but concealing the wheelchair—was married to a 25-year-old Canadian war veteran, Rene Gautreau.

They met at Bellevue Hospital, where both work.

Price Support Compromise Is Now in Offing

WASHINGTON, Sept. 26—(AP)—With an anxious eye at the farm vote, the Senate is about to come to grips with long-range legislation underwriting crop prices.

A compromise bill to establish a flexible price-support program, drafted by Senator Anderson (D-NM), is slated for action as soon as the Senate disposes of pay raise measures for the armed services and civilian federal employees.

The compromise would continue government price props for basic crops at 90 percent of parity for another year but after that the support level could drop to 75 percent of parity if production outran demand.

Parity is a price calculated to give farmers a fair return for what they grow in terms of what they have to buy.

A sliding scale of price supports, ranging from 60 to 90 percent of parity, is to go into effect Jan. 1 under the Aiken law passed last year unless the present Congress enacts new farm legislation.

The House already has passed a bill junking the Aiken law and simply continuing for another year the high wartime level of price supports—90 percent of parity for most major crops.

The Senate agriculture committee said in approving the bill worked out by Anderson, former secretary of agriculture, that the time has come to put the nation's farm program on a permanent peacetime basis.

It said "the flexibility of support levels and the coordination of price supports with production controls" is essential now that the extraordinary wartime demand for farm products has passed.

Cyclist Dies in Crash With Car on Bridge

RIPLEY, Sept. 26—(AP)—John F. Bevins, 24, of Hamersville, O., was injured fatally yesterday in a motorcycle-automobile collision on the Ohio River bridge between nearby Aberdeen and Maysville, Ky. Police said Bevins' motorcycle struck the rear fender of one car and then collided with another automobile, coming in the opposite direction.

Pole Sitter Down after 117 Days

CLEVELAND, Sept. 26—(AP)—Wobbly legged Charley Lupica swore off flagpole sitting today and luxuriated in an honest-to-goodness bed.

What's more, after his world champion squat of 117 days, two hours and 25 minutes, Lupica sighed:

"Now I'm going to rest for two weeks before going back to work. This is not the end of things for me. It's the beginning. It gives me

a new start in life."

The 37-year-old Lupica made his historic descent yesterday before 33,997 fans at Cleveland stadium. His ankles were sore. He was tired. But his eyes were moist as he teetered toward his wife, Augustine, and their four children at home plate.

Charley found out that flag pole sitting can be profitable, even when you lose. He had vowed to stay aloft on his perch over his

delicatessen until the Indians reached first place.

He guessed wrong but managed to shatter the old pole sitting mark of 72 days. The Tribe gave him these presents, anyway, at the ceremony:

A new Pontiac sedan; bicycles for daughters Margaret, 6, and Nicolette, 10; a tricycle for son Carl 8; a stroller for Charley, Jr., one month.

A radio; a stove; an old fashioned bath tub; a four poster bed; a dog for Carl; and a 50-foot flagpole.

To all this, Mrs. Lupica could only say:

"Oh, my goodness. This sure is something. I'm glad it's all over for Charley. Aren't you, Charley?"

Four Being Held for Murder After Spending Spree by Boy

MARIETTA, Sept. 26—(AP)—A 21-year-old timber cutter from Belmont, W. Va., was held today in Washington County jail without charge in the slaying of a 53-year-old Dana's Run farmer last month.

Sheriff Dean Ellis said the timber cutter was Robert Bayless.

Sheriff Ellis said Bayless would be arraigned this afternoon. He said he was to be charged with murder. He said the charge had not yet been signed.

The Washington County sheriff said he would turn 15-year-old Bobby Herlan, son of Mr. and Mrs. Joseph Herlan of Newport,

Record-Herald Safe Cracked and Looted

BURGLARS WHO LOOTED the Record-Herald did a neat job of safe-cracking. The combination was knocked off without hardly marring the door. A few papers were left scattered on the floor but the doors were carefully closed. The burglars apparently worked leisurely in the light of the street light not more than 10 feet away. The window blinds were left up.

Police here today were analyzing several clues as they pressed a search for the burglars who rifled the safe in the Record-Herald business office some time between 10 P. M. Saturday and Sunday 10 A. M.

Just how much was taken remained uncertain until after a check was completed, but estimates place the amount at about \$400.

The thieves stuck fairly close to cash in their loot. They took a few stamps and a few checks, payment on which has already been stopped.

Some temporary records and report sheets were missing. They had no value, but their loss caused no end of inconvenience to the book-keeping department.

The loss was covered by insurance. Entrance was gained through a rear window in the news room. The screen had been pried out and the window up.

The combination was punched off the safe, which was in reality more of a fireproof cabinet for records than a strong box.

Police who investigated the burglary theorized that the safe-cracking was done by someone with some experience; for the safe was not banged up in the manner common to amateurs.

The most amateurish part of the burglary, as police saw it, was the selection of the place to be burglarized. Ordinarily there is little cash in any newspaper office, for no newspaper does much over-the-counter cash business and checks are of doubtful value to

thieves, they pointed out. There was more money in the safe Saturday than customary, Record-Herald business officers said.

Fingerprints were taken by experts from the state crime detection force at request of Police Chief Vaiden Long, who came in from his vacation to lend a hand with the investigation.

The burglary was discovered Sunday morning by Bud Moore, the Record-Herald custodian. He called Record-Herald executives and the police.

At Helfrich Market Burglars also were frightened away from the Helfrich Market on Delaware Street about 2:30 A. M. Sunday.

Police said they had forced a window and apparently were about ready to crack the safe there and loot the cash registers.

A man was seen running along the railroad about the time police discovered the burglary. Nothing was missed.

Belief is expressed that the burglars might have been the same ones who burglarized the Record-Herald safe during Saturday night.

Last year the Helfrich safe was cracked and several thousands of dollars in cash was obtained.

Whether the two burglaries were related was uncertain but police were inclined to believe they were.

Spies' Reports Lack Details

Underground Plants Told of by Germans

BERLIN, Sept. 26—(AP)—Russia has dotted eastern Europe with launching bases for deadlier rockets than Hitler ever used in World War II, German and American sources said today.

Reliable German sources said at least the Nazi-built munitions plant in Soviet-occupied Germany is producing rockets for Russia.

The exact location of the Soviet launching bases is not known. But Allied military intelligence officers said they believed Russia had constructed a chain of them—aimed at western Europe—stretching from the Baltic to the Black Sea in Soviet satellite territory.

A U.S. intelligence officer said "it is a matter of speculation" whether rockets launched in Czechoslovakia, Poland or the Balkans could reach the farthest points of western Europe.

Military informants said there was no evidence the Soviet zone of Germany was being prepared as a rocket launching base.

The Soviet zone, however, includes Peenemuende, one of the biggest of Hitler's rocket plants on the Baltic coast. Peenemuende was once smashed by British bombers but reports circulated recently Russia has rebuilt it with German war prisoners as laborers.

Another pro-Allied German informant said a huge underground munitions factory built by the Nazis at Rechlin, in northeast Germany, also is turning out new and deadlier rockets than those Hitler used to shoot at England.

He said the Rechlin plant has been cordoned off with a heavy Soviet guard, and that thick minefields have been laid.

A U.S. army source said "It is perfectly logical that Russia should have a network of launching bases for rockets. We know that Russia sincerely fears an attack from the west, and we know that rockets are a basic defense weapon of modern warfare."

German scientists are believed mainly responsible for the Soviet rockets, improving on the vicious V-2 weapons they first fashioned for Hitler.

Farmer Campaign Outlined by GOP

SIOUX CITY, Ia., Sept. 26—(AP)—Republican leaders said Saturday that their two-day farm hearing here had given them the framework of a new program for agriculture.

After hearing testimony of several score farmers and farm organization spokesmen, Senator Mundt of South Dakota said their views will be used by Republicans in drafting a program to offset the proposed controversial Brannan measure.

Party leaders said the testimony indicated that farmers want a program which will assure them a stable income at fair prices and with a minimum of direct government subsidies. In addition, the witnesses said they want reduced taxes and less government control of agriculture but more participation in administration of farm programs.

The party leaders heard little support expressed here for the Brannan plan, but some members of the group wondered if Democrats and advocates of that plan had not stayed away from the Republican hearing. If that was so, they added, the conference might have presented an unbalanced view.

DOVER, Sept. 26—(AP)—Injuries received in a fall from a hickory tree proved fatal yesterday to Donald Leinbaugh, 17, of Columbus.

Leinbaugh died in a hospital in nearby Millsburg. The accident occurred Saturday on a farm near Killbuck.

Meanderings

By Wash Fayette

Rev. John Abernethy, new minister of the Coshocton First Presbyterian Church, was almost flabbergasted Sunday afternoon. And for a good reason, too.

Seems that by some strange coincidence 11 members of the Washington C. H. First Presbyterian Church showed up to pay Rev. Abernethy and his family a visit.

The amazing part of the story was that none of the visitors knew that any of the others were in Coshocton.

Most of the group was out visiting other churches in the vicinity to find a replacement for Rev. Abernethy, who resigned the pulpit recently in Washington C. H. to take his new post in Coshocton.

The Abernethys were both surprised and happy to see so many of their friends over to see them. They showed them around the manse, which has recently been redecorated, and the church.

Rev. Abernethy's visitors included Mr. and Mrs. Donald King and Jennie, Mr. and Mrs. Ed Porter, Mrs. Rena Porter, Mr. and Mrs. Clark Pency and Mr. and Mrs. Robert Bishop and Larry.

'Veep' Makes Visit But Nothing More

ST. LOUIS, Sept. 26—(AP)—Vice President Barkley spent the weekend in St. Louis, helping an attractive friend celebrate her 38th birthday anniversary.

The vice president attended a birthday party for Mrs. Carleton S. Hadley Saturday night. Yesterday they went to church together.

Mrs. Hadley's friends had speculated that the birthday party might be the occasion for announcement of the couple's engagement. But it was not even known today whether Barkley had given Mrs. Hadley a present.

He has made several trips to St. Louis recently to see her.

Jumps to Death from Employer's Store Roof

PORTSMOUTH, Sept. 26—(AP)—Herbert Westover, 41, a department manager of Marting Brothers & Company here, jumped to his death from the roof of the three-story department store today.

Coroner W. A. Quinn returned a verdict of suicide. He said Westover had been in ill health since a major operation a year ago.

Charley Lupica, Cleveland baseball fan, starts down from perch on pole.

Final Service Held For Mrs. J. A. Bock

Funeral services were held at 2 P. M. Sunday in the Pilgrim Holiness Church at Bowersville for Mrs. J. A. Bock.

The church was filled with relatives and friends and flowers banked the casket.

Rev. Arthur George, pastor of the church here, delivered the funeral sermon and Rev. Marshall Robbins, pastor of the Bowersville church read the scripture and offered prayer.

Rev. and Mrs. Robbins sang the two hymns "Till the Day Breaks" and "Asleep in Jesus." Mrs. Ralph Ross accompanied them at the piano.

The flowers were taken care of by Mrs. Betty Bock, Mrs. Florence Tobin, Mrs. Marcella Brown and Mrs. Virginia Tobin.

Burial was in Woodlawn Cemetery at Bowersville with Donald Bock, Carey Allen Bock, Willard Tobin, Gene Bock, Delbert Tobin and Hugh Ned Brown as the pallbearers.

Services Held For Mrs. Bessie Hurst

Funeral services for Mrs. Bessie Hurst were held at 2 P. M. Sunday at the late residence in Clarksburg.

The services were largely attended, with Rev. J. E. Taylor officiating.

Burial was made in Brown's Chapel Cemetery.

The many floral tributes were cared for by the pallbearers: F. McCollister, S. Graham, R. McGiberty, N. Hyde, M. Hurst and G. Wickensimer.

Auto Is Wrecked On Devalon Road

Frank Cornell, 20, city R. 2, escaped with bruises and other minor injuries, Sunday at 3:30 A. M. when his auto left the road, struck a small concrete bridge-end on the Devalon Road, over Catfish Ditch, and plunged into the stream.

Cornell's car was badly damaged by impact with the bridge. He told investigating state highway patrolmen that his brakes locked and his car went out of control.

Nancy Jo Arlidge Dies at Her Home

Nancy Jo Arlidge, six-day old daughter of Mr. and Mrs. William Arlidge, died at 10:30 P. M. Saturday at home in New Holland.

Funeral services were held at 4 P. M. Sunday at the residence, with Rev. E. A. Ervin in charge.

Burial was made in New Holland Cemetery.

Kirkpatrick and Son Funeral Home of New Holland was in charge of arrangements.

Driver Was "Lit" Now Faces Charge

Clarence Newland was really "lit" Saturday afternoon, not only with an overabundance of liquor, but was operating his automobile with siren sounding and the headlights turned on, police said.

The noisy car, headlights showing in the daytime, and bloody condition of the driver, resulted in his arrest by two conservation officers with whom he nearly collided, and he was placed in the county jail to await arraignment before Judge H. M. Rankin on a drunken driving charge.

Newland had been in a fight at a drinking place in the outskirts of the city, and apparently was very much the worse off for his scrimmage.

4 Held For Murder

(Continued from Page One)

riding around in a car. They decided to rob Gordon Roe. Roe approached their parked machine across a field leading a cow.

While Herlan talked to him, the sheriff quoted the youth, Robert Bayless approached from the rear and shot Roe in the head with a .38 caliber revolver.

Then, said young Herlan, both boys removed \$197 from Roe's pocket.

Two other persons—not reported at the scene of the slaying—are in county jail in connection with the case. They are George Bayless, Sr., 65, father of Robert, Dana's Run, an 'George Bayless, Jr., 28, of near St. Mary's, Robert's brother.

No charges have been filed against these men.

Mainly About People

Mrs. William Boylan underwent a major operation in Grant Hospital, Columbus, Saturday afternoon.

Don Brandenburg is showing slight improvement in Mt. Carmel Hospital, Columbus, where he was taken last week.

Jonathan Wayne is the name given to the son born to Mr. and Mrs. Richard Creamer, of 904 South Hinde Street, last week.

Mr. and Mrs. Elba Williams of the Edgefield Road, are announcing the birth of a daughter, Marilyn Rae at their home last week.

Mr. and Mrs. Fred Gool are announcing the birth of a daughter, Francis Augusta, at their home on the Jeffersonville Road, Saturday.

Mrs. Howard G. Stewart of the Good Hope Road, entered White Cross Hospital, Columbus, Saturday, for observation and treatment.

Mrs. Earl Woods was removed from her home on Rawling Street to White Cross Hospital, Columbus Sunday afternoon in Gerstner ambulance.

Mr. and Mrs. Harris D. Willis are announcing the birth of a daughter, Susan Adams, in White Cross Hospital, Columbus, Sunday evening.

Mrs. Roy Oswald was brought to the home of Mr. and Mrs. Fred Oswald, Sunday, from St. Anthony Hospital, Columbus, in the Gerstner ambulance.

Ercel Wright, of near New Holland, was taken to Mt. Carmel Hospital, Columbus, Saturday in the Kirkpatrick ambulance, for observation and treatment.

Mrs. Herschel Graves, of the Edgefield Road, returned to her home Saturday afternoon after undergoing minor surgery in University Hospital, Columbus.

Miss Ruby Payton was removed from her home on the Waterloo Road to White Cross Hospital, Columbus, Saturday evening, in the Kirkpatrick ambulance for observation and treatment.

Joe Bush of near New Holland was taken to Berger Hospital, Circleville, early Sunday morning in the Kirkpatrick ambulance, after suffering a serious heart attack at his home.

Miss Dena Ervin was taken to the Kelso Convalescent Home in Sedalia, Saturday afternoon in the Morrow ambulance from Grant Hospital, Columbus, where she underwent a number of operations.

Mrs. Thomas Skaggs was taken from her home on the Old Springfield Road to St. Francis Hospital, Columbus, Monday morning for an emergency operation. The trip was made in the Gerstner ambulance.

Mr. Adam Lewis was removed from the home of his parents, Mr. and Mrs. C. A. Lewis, 516 Lewis Street, to Veterans Hospital, Dayton, Saturday afternoon in the Hook ambulance for observation and treatment.

Tension Grows

(Continued from Page One)

just as pessimistic as Timmes.

There was no statement from Philip Murray, president of the steelworkers, who led the top negotiating team in talks with big U. S. Steel Corporation. And industry spokesmen kept mum.

World A-Bomb Jitters

(Continued from Page One)

it matter-of-factly declared that Russia has had atomic weapons since 1947.

Many Western European statesmen and diplomats privately took the two-year bomb claim with a grain of salt. But chief interest centered on the news agency's statement that Russia still wants international control of atomic energy. The main question was:

Is Stalin getting ready to make any concessions to the West in favor of honest-to-goodness international supervision?

Tass declared the Soviet Union stands on its former position of favoring absolute prohibition of the use of atomic weapons. It added:

"Concerning control of the atomic weapon, it has to be said that control will be essential in order to check up on fulfillment of a decision on the prohibition of production of atomic weapons."

The provision to "check up" has been the stumbling block to agreement for three years.

AMERICAN SECURITY

WASHINGTON, Sept. 26—(AP)—The question of Russian espionage and American security won more emphasis from U. S. lawmakers today, than a renewal of Soviet suggestions for world controls over the A-bomb.

Two week end statements by a pair of strategically placed members of Congress: especially argued for tighter curbs on spies—now that Russia has had an atomic blast of her own.

The arguments were advanced by Rep. Velde (R-Ill.), a former G-man who worked on Soviet espionage cases, and Senator O'Connor (D-Md.), acting chairman of a Senate immigration subcommittee.

Now a member of the House American activities committee, Velde talked of introducing a resolution demanding that Congress investigate "our entire security setup."

Saying that there has been infiltration in the government by a spy network over the years, Velde added "Soviet espionage agents are still highly active."

In a broadcast, O'Connor said that under present laws the door is open for Communist infiltration under the guise of diplomatic and semi-diplomatic status. "Not only rank and file subversives are coming in, he said, but also hundreds of ring leaders."

As to what can be done about them, O'Connor said the main need is for a law to bar them from the country or toss them out if they get in, regardless of their diplomatic status.

Secretary of State Acheson has protested that such a law would drastically interfere with the handling of foreign policy and might result in a rupture of relations with all Communist-dominated countries.

CONTROLS STUDIED

MOSCOW, Sept. 26—(AP)—Western diplomats here weighed Moscow's latest bid for atom bomb control today as they studied Russia's claim she has had atomic weapons for at least two years.

The Russian statement—issued yesterday by Tass, official Soviet news agency—was the first official reaction to President Truman's announcement that evidence had been discovered of a recent atomic blast in Russia.

It did not confirm or deny such an explosion, but recalled the statement of Soviet Foreign Minister V. M. Molotov on Nov. 6, 1947, that the secret of the atom bomb "has long ceased to exist."

Referring to Molotov's 1947 statement that the atom bomb was no longer secret, Tass asserted: "This declaration meant that the Soviet Union had already discovered the secret of the atom bomb and it has at its disposal this weapon."

Tass added that U. S. scientists had regarded Molotov's statement as "bluff" because they thought

Salvation Army Truck Is Coming Here on Thursday

It's time to get out those used but still serviceable clothes, shoes and even furniture and bed clothing again.

The Salvation Army truck is coming to Washington C. H. next Thursday and will pick up any contributions, W. J. Hilty, the county Salvation Army unit chairman said.

A call to the county school superintendent's office in the Court House (phone 8361) will bring the truck to your door.

Everything picked up here is taken to the Columbus headquarters of the Salvation Army. There it is cleaned, mended and put in shape for use by those in need.

Some of it could possibly come back here to meet an emergency call. But, once in the warehouse at headquarters it loses its identity.

If a call comes from Fayette County, Hilty explained, what is needed is taken from the stocks at headquarters, regardless of where it came from originally.

Russia was incapable of developing a bomb before 1952.

"They, however, were mistaken, since the Soviet Union possessed the secret of the atomic weapon already in 1947," the news agency declared.

The Soviet statement had the effect of seeking to plant the idea here and abroad that Russia is much further advanced than Mr. Truman's announcement about a "recent" explosion would indicate.

The Tass announcement appeared to create no great surprise among the Russian people. A number of Russian citizens, when interviewed about the statement, said they had felt all along Russia had atomic weapons.

"Of course we have," said a housewife. "I have never doubted it."

"I always felt," said a painter, "that we had atomic weapons if anyone had them. Now I am sure about it."

A male university student commented: "I think there's now a good chance we all may have an agreement on atomic control."

"Who has ever doubted the Soviet Union had the atomic secret?" asked a taxi driver. "But it is good to have it explained so completely."

"What Molotov said in 1947 was clear enough," said a subway worker. "All Russians understand that he meant our government possessed atomic weapons at this time. This announcement came as no surprise."

Said a mechanic: "The announcement makes clear our scientists have kept up with or exceeded the Americans."

(Editor's Note: All news from Moscow must pass the Russian censor and seldom in recent years have interviews with ordinary Russian people been passed.)

Grain Market

CHICAGO, Sept. 26—(AP)—Advances were rung up in most grains after a shaky start on the Board of Trade 1--day. Wheat took over the market's leadership, jumping more than a cent on buying by southwestern mills and previous short sellers.

Corn followed wheat higher, despite a somewhat easier trend in the cash market, and oats scored modest gains. Soybeans provided an exception to the general trend. They were weak most of the day on hedging pressure, reflecting increased movement of the new crop in central Illinois.

The Nation Today

By JACK ADAMS

(For James Marlow) WASHINGTON, Sept. 26—(AP)—The television hearings opening here Monday mean that changes are in the making in this newest field of popular entertainment.

But don't expect anything to happen suddenly — or even any time soon — as a result of the Federal Communications Commission's latest study of the subject.

Television just now presents a package much too complex for any quick handling, by either government or industry.

In other words, if you are thinking in terms of "color by Christmas," forget it.

In all the legalistic discussion that will go on before the FCC during the next few weeks, the important thing to remember is this:

The television set you now have or may be thinking of buying from your local store will always be able to tune in just what it is tuning in now, until it wears out.

If the FCC makes the changes it is now considering, you can buy some gadgets for these present sets to get in on whatever may be added to the television system.

The hearings will deal principally with these things:

1. More channels, designed to open local television outlets in more towns.

2. Revised engineering standards for the video broadcasters.

3. Color television.

Under the first hearing, 42 new channels are proposed in the "ultra high frequencies."

Most present sets are tooled for VHF only. If your town gets a UHF channel and you want to tune in on it, you will need a "converter."

The experts think they can be produced at relatively low cost — say, \$15 to \$18.

Item two deals mainly with the technical question of how far apart video broadcasting towers should be located for improved reception.

In its probe into the final item, FCC will look over a half dozen proposals for color television, to find out if any of them are ripe for regular operation.

Under present plans, if color should be authorized the programs would be available to present set owners who could tune them in black-and-white. By hooking an "adapter" to the present set, they could get color.

The cost of an adapter is estimated at \$75, but the experts hope a cheaper edition will result from mass production.

In any case, nothing will happen right away.

Radio people say that even if things move along at a fast clip, it would hardly be possible for any UHF station to get on the air during 1950. And the radio manufacturers' association has told FCC that color television for the general public is probably "several years" away.

Cub Pack to Help In Fire Prevention

Members of the Jeffersonville Cub Pack No. 67 will sponsor a fire prevention program in that community in October. It was announced Saturday.

The last of a series of summer picnics will be held Sunday, when the Cub Pack and parents will make a journey through the hills.

It is hoped that a good crowd of parents and members will be on hand at 7:30 P. M. next Monday, when an inspection will be held at Memorial Hall.

For a vegetable plate supper, serve corn pudding, broiled tomatoes, spinach vinaigrette, and snap beans or broccoli. A supper menu such as this usually calls for a hearty dessert such as gingerbread and applesauce.

Battered Berlin Has Gay Season

Opera and Drama Put in Full Swing

By CARTER L. DAVIDSON BERLIN, Germany, Sept. 26—(AP)—This war-shattered capital is having its gayest and fullest season of concert, opera and drama since Hitler harnessed the arts to politics.

The traditional German love for music and the stage is transcending even the east-west political chaos that has partitioned the city.

The state opera in the Russian sector presented Richard Strauss' "Der Rosenkavalier." A few blocks away, also in the Soviet sector, the Komische opera presented Bizet's "Carmen." The city opera in the British sector played Puccini's "La Boheme."

A German troupe enacted "Hamlet" in a British sector theater, and two theaters in the American sector had performances of plays by the famous German playwright Carl Zuckmayer.

There was a concert by the Berlin Philharmonic orchestra, and two major recitals in other theaters, one of them by Metropolitan opera baritone, Mack Harrell.

Showgoers and opera lovers are turning out in throngs to restore their city to its cultural eminence in Europe.

To do so, many have to pick their way to the theater, in formal evening clothes, past heaps of rubble from allied bombs.

The repertoire is international in complexion, although there is a strong flavoring of such German national favorites as Goethe, Schiller and Wagner.

Berlin officialdom, both east and west, has taken an interest in the theater and is providing money to back it.

The west Berlin Magistrat, for instance, is supporting the new "Freie Volksbuehne" (free peoples theater) in its opening performance of Hamlet.

The city has six major symphonies.

Residents of both east and west Berlin travel back and forth to their favorite performance. Their only restriction is the lack of proper currency.

In the programs, political differences also are forgotten. West Berlin opera houses have a number of the Russian Tchaikovsky works planned for the season. The Russian sector's season is as full and complete as if it were in New York or London.

Berliners have not had a season of music and drama like this one in 15 years. When Hitler's Nazis came to power, the stage was made a propaganda weapon and performances had to fit the aims of the new order.

Now, four years after the new order's war ended in defeat, the old order in music and drama has come back to Berlin. And Berliners by the millions are turning out to welcome it.

President Truman To Review Airborne Troops

WASHINGTON, Sept. 26—(AP)—President Truman will fly to Fort Bragg, N. C., Oct. 4 to review troops and witness parachute maneuvers of the 82nd Airborne Division.

Presidential Press Secretary Charles G. Ross said today that Mr. Truman will leave Washington in the plane, "Independence," about 8:45 A. M. (EST). It is about one hour and 15 minutes flight to Ft. Bragg. Mr. Truman plans to return to Washington that evening.

Cut white cake in small squares, frost on three sides, and roll in finely chopped roasted peanuts. Serve these peanut squares for tea or couple them with fruit sherbet for desert at luncheon or dinner.

Be A Friend To The Land

By Jonathan Forman, M. D.
Vice President of Friends Of The Land

The most important problem facing America today is catching and holding the rain drop where it falls and keeping the topsoil on the land.

We no longer farm the land of our fathers that has gone down to the sea. We no longer farm the same land we did a year ago. Its minerals have leached out or have been sold to the cities to be sent down their sewers to the sea.

The soil has declined for decades now as the rains have carried off millions of its finest topsoil from the fields, down the gullies, into the rivers to rush on out to the ocean.

To stop this washing away of our vital topsoil our state and national governments have joined efforts in a vast program. Millions of dollars have been spent by the Extension Service, Soil Conservation Service, the Forest Service Reclamation Service and by State governments, hundreds of millions by Production & Market Administration. Billions more will be spent (if our government does not go bankrupt in the meantime). Yet, in the final analysis, the success of all of these efforts will depend upon the cooperation of the men who own the land, upon the hard work of the individual farmer.

THIRD VOTE XENIA—Xenia Township, for the third time, will vote on a \$19,000 bond issue to help equip a new school building built from a \$250,000 bond issue voted two years ago. The issue has been defeated twice.

NEW HEARING DEVICE Has No Receiver Button In Ear

CHICAGO, Ill.—Deafened people are hailing a new device that gives them clear hearing without making them wear a receiver button in the ear. They now enjoy songs, sermons, friendly companionship and business success with no self-conscious feeling that people are looking at any button hanging on their ear. With the new invisible Phantomold you may free yourself not only from deafness, but from even the appearance of deafness. The makers of Beltone, Dept. 40, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement they will gladly send you their free brochure (in plain wrapper) and explain how you can test this amazing invisible device in the privacy of your own home without risking a penny. Write Beltone today. Adv.

We in FRIENDS OF THE LAND rejoice in the number of farmers who are aware of the importance of this job, who realize that it pays big cash dividends, that it saves the soil for future generations and who therefore are tackling the task with vigor and intelligence.

We of FRIENDS OF THE LAND have dedicated ourselves to the task of arousing the whole trading area of Washington C. H. and other centers to the interest that we all have in this job of saving-the-soil.

We want everyone to realize that his income, his health, and for the most part his happiness can only come when all the land about is restored to its virgin richness.

September 30 Last Day for Licenses

September 30 is the last day for obtaining motor vehicle drivers' licenses, and the work of issuing drivers' permits is moving forward rapidly at the Fayette County Auto Club offices.

The last minute rush which usually comes can yet be avoided if those who have not obtained their permits will apply without further delay.

Regulations Here Streamline Rent

Landlords and Tenants To Advise of Actions

There's a streamlined way for landlords and tenants here to notify each other whenever one seeks a rent office action adversely affecting the other. Area Rent Director, Edward F. Wagner of Columbus explained Monday just how it works.

A landlord now is permitted to post in a public place on the premises a copy of any notice which affects five or more tenants. The rent office will give the landlord forms to use in notifying the tenants of the posting, which must remain up for 15 days.

The tenants, however, must file their answers to the landlord's petition with the rent office in duplicate, within seven days of the landlord's notice and serve a copy of the answer on the landlord personally or by mail, Mr. Wagner said.

The same procedure is followed when a tenant applies for a rent reduction or the landlord seeks an eviction certificate or decontrol of a living unit created by a conversion.

"The serving of notices is a necessary part of any action which this office takes in behalf of landlord or tenant," Mr. Wagner pointed out. "The law requires that interested parties in any proceeding receive proper notice."

Previously, the rent office gave notice to the opposing party after it had received the request. The new method saves time by allowing notice to be given before a request is filed, rather than after filing."

September 30 Last Day for Licenses

September 30 is the last day for obtaining motor vehicle drivers' licenses, and the work of issuing drivers' permits is moving forward rapidly at the Fayette County Auto Club offices.

German Students To Come to Ohio

DAYTON, Sept. 26—(AP)—Some 15 of 47 German high school students due to arrive in New York today for a year's visit to America, are slated to come to Ohio's Miami Valley, a Church of the Brethren spokesman said today.

W. Harold Row, executive secretary of the Brethren Service Commission—sponsor of the visit—said the principal aim of the visit was to enable the German youths to become acquainted with America and the way of life here.

Johnston, chairman of the post office committee which approved the bill yesterday, said he doesn't plan to press for action on the legislation now, while lawmakers are adjournment-minded.

Higher postal rates have been urged by the administration, but Democratic Leader Lucas of Illinois said he couldn't tell whether a place for the measure can be found on the already loaded senator calendar.

Postal Rate Hike Delayed for Year

WASHINGTON, Sept. 26—(AP)—Senator Olin Johnston (D-SC) indicated today the Senate will wait until next session before acting on a committee-approved bill to raise postal rates by \$100,000,000 a year.

Johnston, chairman of the post office committee which approved the bill yesterday, said he doesn't plan to press for action on the legislation now, while lawmakers are adjournment-minded.

Higher postal rates have been urged by the administration, but Democratic Leader Lucas of Illinois said he couldn't tell whether a place for the measure can be found on the already loaded senator calendar.

New lower Packard prices begin at

2271.60 *

*State and local taxes, if any, and white sidewalls (as shown above), extra. Prices may vary slightly in adjoining areas because of transportation charges.

Until you've experienced the silent, gliding restfulness of this roomy Packard—you're just not up-to-date on fine car comforts!

Packard calls it the "Limousine Ride" because many of its advancements were first developed for the magnificent Packard Limousine. But the first and foremost secret of its superiority lies in Packard's costly "self-controlling" suspension system.

"Self-controlling" means it compensates automatically for changes in load and road. "Self-controlling" means it

combines relaxing smoothness with firm, level-keeled roadability. "Self-controlling" means it won't develop "baby-buggy bounce" in its later years!

Shall Cost of Labor's Benefits Be Shared?

Everyone with whom any observer talks seems to have a special interest in whether there will be a steel strike.

For some reason this threat seems to be more fearful to the average individual than even the coal strike or a work stoppage in the automobile industry.

The crux of the labor dispute in the steel industry appears to center upon the question of whether the immediate direct costs of proposed pensions and insurance programs shall be paid entirely by the industry's ownership or shared by the workers.

This is a question which must be decided in any individual business place or industry when such a welfare program is to be established. Often those on both sides of the question may look too hard at the immediate item of cost and too casually at the long-term effects of the decision to be made.

From the standpoint of the workers, a program paid for entirely by ownership may appear to be all velvet, but it has certain disadvantages by comparison with a sharing of costs. The worker has no individual stake of his own in a company-paid plan. The longer he stays at his job the more closely he is tied to it, the greater would be his loss if he left it for another job. The security of his job is increased, but his freedom to choose his work is reduced. If he shares the cost of his pension and insurance, he partly owns them in his own name. He has a different kind of security, a certain ownership in his future.

Business ownership, on the other hand, may sometimes be inclined to regard its costs for pension and insurance programs, whether total or shared, as dead loss, just an unwelcome addition to fixed charges. But such programs usually add an element of stability in the labor force, and the worker whose future is thus protected should be more assured and more effective. The benefits of the programs contribute to general economic stability, helping all business. A cooperative plan of this kind usually is

more generally mutually satisfactory than any other.

A dollar in hand has a certain importance of its own. But thought of it sometimes obscures much more important things which are just a little more distant.

Discriminatory Taxes

When the war excise taxes were put into effect, it was said that they would be repealed six months after the end of hostilities. Yet they are still in effect, and are still acting as a burden on the consumer and a brake on business.

The taxes apply to a considerable list of commodities and services, many of which are not luxuries under any reasonable interpretation of the term. The primary reason for their enactment was to reduce civilian purchasing in time of war. That reason no longer exists, and there can be no valid excuse for continuing this drag on the economy.

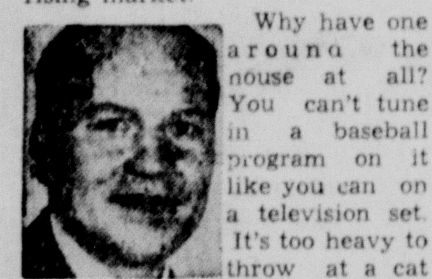

A concerted campaign is now underway in favor of repeal of the levies at this session of Congress. It is sponsored by the principal associations of retailers, including both chain and independent groups, and by many manufacturers. It is also supported by labor unions, which realize that these taxes discourage buying and so prevent employment. The CIO at its 1948 Constitutional Convention passed a formal resolution urging "that all excise taxes not regulatory in character be repealed."

The National Planning Association—a non-partisan organization representative of business, labor, agriculture and the professions—has said: "The present structure of excise taxes discriminates between producers of taxed and untaxed goods and many of those taxes weigh most heavily on low income families." They are simply a form of class tax, and are highly discriminatory. Their early repeal would be in the interest of business and the consumer, and would be of direct help in maintaining employment.

What To Do About the A-Bomb

NEW YORK, Sept. 26—(AP)—Naturally everyone today is wondering what he should do about the atom bomb.

The best possible advice to follow is—don't buy one now on a rising market.

Why have one around the house at all? You can't tune in a baseball program on it like you can on a television set. It's too heavy to throw at a cat and too big to fire at a burglar. And the resale or trade-in value of a used atom bomb is practically zero.

Nope, you might as well turn the whole matter over to the international diplomats of the United Nations, whose theme song is: "you show me your stockpile, and I'll show you mine."

I think the average man will be glad to let it go at that. For he has become bored to death with the atom bomb. He is annoyed at seeing what was to be the century of the common man turned into the century of the big firecracker. And he isn't happy to know that the \$64 ques-

tion of his generation well may be, "where do we blow from here, boys?"

The plain truth is that the atomic era to date has been nothing but an affront to the dignity of man. It has been a goose-pimples period ever since the mortal mushroom shadowed Hiroshima. It has been a time of scare, fear and crisis—east and west.

Have the Russians solved the secret of the atom bomb? Well, there is good reason now to believe yes. But what if they have? People weary of fear, and mankind is running out of goose pimples.

Abraham Lincoln is reported once to have been challenged to a duel. Given the choice of weapons, he immediately suggested "shotguns at five paces."

His opponent wisely dropped the matter. Today a duel with atom bombs could be as mutually deadly to nations as shotguns at five paces would be to two individuals.

Atom bombs can be delivered by plane, ship, submarine or rocket—every way except by parcel post. All nations that took part in any such merry warfare suffer, and the casualties would be measured by entire cities

rather than platoons.

Imagine the communiques: "A joint force of allied bombers today attacked the wiped out mink, according to plan. Our interceptor fighters engaged an enemy flight over the eastern seaboard and shot down 50 planes. Boston is missing."

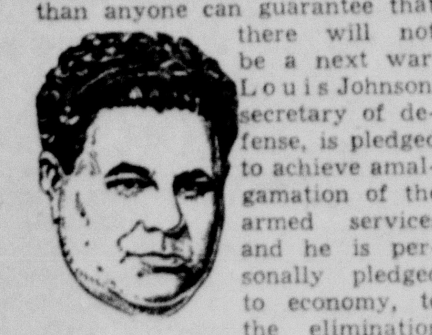

Four years ago I toured Nagasaki, a black scar in the hills. Room by room I explored a shattered concrete and steel modern hospital in which every patient had been killed. But the dead had been carted away by them, stacked, doused with gasoline and burned. What impressed me most were the windows—the glass had melted and run like dribbles of candle wax.

There is much wise talk about how to protect yourself in the event of atom warfare. The experts agree that dispersal is fine. But they don't explain how a man who owns a delicatessen, store off Broadway can move it to a cow pasture in Wisconsin and still sell enough sandwiches to make his living.

Actually about all the ordinary citizen in any country can do about the atom bomb is to dislike it—and pray that nobody blows a bugle.

Sentiment and the Nation's Navy

No one can absolutely guarantee that a navy will not be valuable in the next war any more than anyone can guarantee that there will not be a next war.

It, of course, is being asserted that all warfare will be in the air, with a ground force to take over and hold areas captured by air power. The atom bomb is to devastate entire nations, wipe out the civilian population and the national industry. Then along comes somebody else who says that the atom bomb is not what it is cracked up to be, but that chemical warfare and biological warfare will really do the job. We shall hurl germs and viruses and pests and plagues at people and they will die from disease rather than by bullets.

Of course, there is no experience with all this. The atom bomb was hurled at Japan, but the Japanese had been brought to their knees before that by starvation, by the cutting off of their food and raw material supplies. Neither chemical nor biological warfare was actually employed, each side being afraid of a weapon that could not be contained geographically. That does not mean that the atom bomb and the germ will not do infinite damage in the next war. It does mean that we do not know, from actual experience, what it will do. We are like doctors quarreling over whether it is the pancreas or the adrenal gland that makes the patient sick, when they really don't know.

Everyone denies that he wants to sink the navy, but that precisely is happening. The morale among naval men is the lowest that it has ever been in our history. Pretty nearly every naval

officer I personally know — and I know a good many — is looking around to see what he will do next — and none of them expects to go into the army or air force. They are an embittered group and they will not keep quiet. They are today particularly embittered because the navy is not permitted to present its cause to the American people.

This is bad public relations on the part of the department of defense, and I am surprised that Steve Early has not arranged it differently. If the navy has no case, an open hearing would establish the fact. If the navy has a case, then the country is entitled to know what it is. Few of us are expert in these matters and many who pretend to be, merely repeat the prejudices of the side they favor. I admit my lack of knowledge, my inexperience, but add that I should like to hear the whole issue debated out loud. Unification does not mean suppression of the truth, nor will it mean anything but tragedy, if it is done without regard to the significance of all weapons in the next war.

There is a further error in not permitting the navy to state its case. It gives to laymen like myself the impression that there the navy, while giving the other arms ample opportunity to defend their judgement. That is not a good impression to get about.

Louis Johnson is doing an admirable job which calls for the support of the entire country. Unification is a sound doctrine. Waste is inexcusable. Duplication of costs is outrageous. But is it necessary to sink the navy?

"Good. Papoose gain pound."

Diet and Health Non-Stop Hiccups Cause Exhaustion

By HERMAN N. BUNDESEN, M.D.

HICCUPPING is one of the very few natural actions of the body which seems entirely without purpose. It is neither a safety valve nor an adjustment process. Indeed, so far as benefiting the body is concerned, it has no value. It is simply a nuisance and nothing more.

On the other hand, it seldom does any harm except in rare, long-continued cases where it keeps up so long as to cause exhaustion.

Hard Contraction

Hiccupping is the result of a sudden, hard contraction of the muscle between the chest and the abdomen, known as the diaphragm. Pressure of this contraction closes the passage to the lungs. The "hic" sound is due to the abrupt cutting off of the inhaled breath as the vocal cords come together.

Hiccupping may be initiated by nerve impulses brought to the diaphragm from the stomach, bowel, liver, lungs, the larynx or voicebox, or may result from inflammation or pressure from a tumor growth. It may come from direct irritation of the diaphragm or of the phrenic nerve which supplies the diaphragm.

Hiccup sometimes develops in diseases affecting the brain, such as encephalitis or meningitis. As is well known, over-indulgence in alcoholic beverages may bring on an attack of hiccupping. It may be psychological in its origin, in which

case it stops during sleep and sometimes while eating.

Different Treatment

Hundreds of different types of treatment have been suggested for hiccup. A sudden slap on the back, pulling on the tongue, tickling the nose, and inhaling smelling salts all have served to stop hiccupping attacks. Holding the breath and deep breathing may be effective. Washing out the stomach or inducing vomiting may, on occasion, give benefit. Various sedative or quieting drugs have been used. Drugs which relieve spasm have also been found helpful.

Recently, a number of cases of continued hiccup have been treated with a drug known as quinine. In nine patients, in whom other methods have failed, quinine stopped the attacks in six and was partially successful in two.

In some cases of continued hiccup, cutting or crushing of the phrenic nerve has been employed. Fortunately, in most cases of hiccup, the simple measures are sufficient to bring relief.

QUESTIONS AND ANSWERS

W. P. O.: Is cystitis a curable ailment? Is it a serious condition?

Answer: Cystitis means inflammation of the bladder. As a rule, it is not a serious disorder and it is curable.

Treatment with sulfonamide drugs and penicillin is helpful. Sometimes, irrigation of the bladder with antiseptics is necessary.

Four Damage Suits Face Auto Driver

COLUMBUS, Sept. 26—(AP)—

Four suits asking damages totaling \$70,000 were filed yesterday against Ben F. Hadley, Jr., of Columbus, in common pleas court.

The suits identified Hadley as driver of an automobile which figured in a collision with one operated by Mrs. Luella G. Adams, Olmstead Falls, O., in U.S. 33. Location of the accident was not given.

Damages of \$25,000 each for injuries were asked by Mrs. C. A. Rindfleisch, Olmstead Falls, and Mrs. Glenn Baughman, Zanesville, who said they were passengers in Mrs. Adams' car. Their husbands asked \$10,000 each for medical expenses.

Apples Pickers Needed

ALLIANCE, Sept. 26—(AP)—John S. Staley, assistant farm representative, says farmers in this area may lose much of their apple crop unless 170 pickers are found at once. He said would-be pickers should report to the Alliance or Salem office of the Ohio State Employment Service.

Bolt of Lightning Kills 2 Children

DU BOIS, Pa., Sept. 26—(AP)—A bolt of lightning crashed into a group of children playing in a grade school yard during the noon lunch recess. Two were killed and four were stunned by the bolt.

The victims were Jimmy Prose, 11, and John Hillard, 11.

Deputy Coroner F. I. Gillung said the lightning went down the school chimney and then travelled out on the wet grass of the playground where the children were playing yesterday.

Man's Body Found

SPRINGFIELD, Sept. 26—(AP)—A Pennsylvania track inspector yesterday found the body of Harry R. Uish, 50, of Etna, along the railroad's right-of-way west of nearby South Charleston. Coroner Austin Richards said the man had apparently been struck by a train about four days ago.

September 19 - October 8

HERE'S HOW Any Bride CAN BE A Better Cook

An Automatic "CP" Natural Gas Range has all the features that good cooks need. Speed, flexibility, control, convenience, cleanliness, economy.

Each night her husband saw her frown
He heard her woe and sat him down
To meals half-cooked or cold or burned
While patiently he gulped and yearned
For roasts well done and juicy steaks
And sighed for mother's pies and cakes.

But now no longer does she frown
And he no longer sits him down
To meals that made a fellow wail
He'd stayed downtown for hash or fry
A Natural Gas Range saved the day
And baking "luck" has come to stay!

Our bride has time to rest and play
The "CP" cooks while she's away
Her baking now is automatic
Her guests approve with smiles ecstatic
The "CP" range meets every test
And hubby rates her meals "the best!"

BUY NOW at the lowest prices in years.

The Washington C. H. WCTU will meet at the home of Mrs. Carson Maddux, 2:30 P. M.

Local Sorority To Open Rushing Season Sept. 29

Ohio Zeta Upsilon Chapter of Beta Sigma Phi announces the close of a delightful summer social season and resumption of the regular bi-weekly chapter meetings. The organization's special planned cultural programs are featured at these regular meetings.

Outstanding among the fall chapter activities is the official Rushing Program. This program is carried out in coordination with more than 3000 chapters of the International Organization, throughout the United States, Alaska and Canada and is even participated in by chapters in England, Scotland, Hawaii, Guam, Cuba and the Canal Zone. Chapters established for American members living in Germany and Japan will also take part.

Mrs. Harry Campbell, who is vice-president and official Rush Captain in charge of rushing activities here, states that the September-October rushing events will include a rushing party, Sept. 29, open meeting October 3, tea October 23 and formal initiation November 3. The membership committee in conjunction with the social committee is now completing plans for the rushing activities which will be announced at an early date. The Rushing Program, which has for its theme "Vision," is being planned along lines which will more fully acquaint the community with the scope and achievements of this far reaching organization, which contributes so much to the social, cultural and civic life of the communities in which it functions.

The local chapter officers are just beginning their active term of office and Mrs. John Rhoads is president of the group. Serving with her on the Executive Board are Mrs. Harry Campbell, Mrs. Jane Himmler, Mrs. Thomas Flynn, Mrs. Leo McDaniels and Mrs. William Graham.

The International Headquarters of Beta Sigma Phi is in Kansas City, Missouri and the organization has a total membership of approximately 100,000 young women including the junior affiliate group Nu Phi Mu. Beta Sigma Phi has its own International Endowment Fund for the Benefit of Humanity, of which the immediate project is sponsoring two scientists in Cancer Research at the University of Colorado. Chapters locally engage in many civic and philanthropic undertakings.

While most of the chapters hold evening meetings for the benefit of the business and professional members, many cities also have chapters composed entirely of young married women, who prefer to hold their meetings in the afternoon. Usually some of the chapter social events are planned to include husbands and friends of the members. This fall much interest has been centered upon the organization's personally conducted tour of "Ramble" as it is called. This year the "Ramble" is to Hawaii. Any member is eligible to participate in these vacation trips in company of fellow members. Several creative art contests annually lend interest and competition as well as bring awards to winning chapters and members. Among the contests are short story, song and poetry writing. Another feature is the Valentine Girl Contest, where the prettiest member is selected by a popular movie star. These contests are conducted through the Torch, the official magazine of Beta Sigma Phi. The organization publishes its own cultural program books, all designed to give members a bet-

ter appreciation of the art of living.

In addition to extending chapter membership in the rushing seasons, many chapters share Beta Sigma Phi with other young women by organizing new chapters locally and in nearby towns. When a member chapter organizes a new chapter the project is called "Friendly Venture." Field Staff Executives from the International Headquarters also establish chapters in new territory and visit the membership in established communities. Beta Sigma Phi is known throughout the world for its far reaching activities in bringing social and cultural interests to young women.

While pursuits of the members have many educational features the organization is a non-academic sorority and was founded eighteen years ago by Walter W. Ross of Kansas City, Missouri.

Picnic Dinner At Farmer Home

In honor of Mrs. George Farmer's birthday anniversary, members of her family assembled at her home Sunday. All came with well filled baskets and the food was served cafeteria style from a long table arranged in the dining room.

Mrs. Farmer received a number of lovely birthday remembrances.

Guests included Mr. P. K. Keppeler, Miss Clara Keppeler, Mr. Elmer Keppeler, Miss Minnie Boyd, Mr. Phillip Boyd, Miss Anna Mae Keppeler, Mr. Alfred Keppeler, Mr. Raymond Keppeler, Mr. Bernard E. Keppeler, Miss Helen Keppeler, all of Beaver; Mr. and Mrs. Roy Duffendall and family of Jamestown; Mr. and Mrs. Lewis Pierce and family of South Solon; Mr. and Mrs. Gossard Stewart and family of Mt. Sterling; Mrs. Opal Leach and daughters of Columbus; Mr. and Mrs. Malcolm Farmer of Cedarville; Mr. and Mrs. Henry Harp and sons of Melvin; Mr. and Mrs. Roy E. Staffan of South Solon; Messrs. George, Glendon and Karl Farmer of Cedarville.

Family Dinner On Sunday

Mr. and Mrs. W. O. Curry entertained members of their family to dinner Sunday at their home.

One large and two small tables, centered with fall flowers, seated the guests, for the serving of the delicious meal.

Those present included Miss Mary E. Kent of Jackson, Mr. and Mrs. T. W. Douglas and Calvin Weissmann of Berlin, Ky., Mr. and Mrs. Everett Douglas and children Barbara and Jerry of Maysville, Ky., Mr. and Mrs. John Boyer, daughter Susan, Mr. and Mrs. Maynard Denen, sons Denney and Pat, Mr. and Mrs. William Curry, Jr. of this city. Mr. and Mrs. Carl Noon were afternoon callers.

Mrs. Walter Price of Dayton and Mr. Willis Davis of Marion were Sunday guests of their father Mr. Phil Davis and sister Miss Clara Davis.

SOMETHING NEW in fashions from Hollywood is this glamorous creation designed to give milady that exciting look. Styled by Adrian, noted film colony designer, the coat is of black lace which is worn over a white silk dress. (International)

Personals

Mr. and Mrs. Bill Rogers returned Saturday from a two weeks' motoring trip through the New England states. They also visited Montreal, Quebec and other interesting points enroute.

Mr. and Mrs. J. M. Cunningham of the Leesburg Road accompanied by Mr. and Mrs. Walter Wingler of Canton are on a two weeks' motoring trip through the south.

Mr. and Mrs. Earl Flax, Mr. and Mrs. Harold Bonecutter returned Sunday from a few days' motoring trip through the Smoky Mountains. They also visited Norris Dam in Tennessee, Cumberland Falls, in Kentucky and other interesting scenic points.

Mr. and Mrs. Cecil Dixon were in Lebanon Sunday where they attended a dinner at the Masonic Temple in honor of the Worthy Matrons and Patrons of District 21.

Mr. Earl McCoy returned Sunday from a week's visit in Vincennes, Indiana, with Mr. and Mrs. Clay Johnson, Mr. and Mrs. Robert Johnson, Mr. and Mrs. Jack Johnson and family.

Rev. and Mrs. C. B. Tigner and daughter Juanita were in Mt. Blanchard Sunday where they attended a reunion and picnic of former church members. In the afternoon Rev. Tigner spoke to the group.

Mr. and Mrs. Raymond Enrick and family were in McConnellsville Sunday and visited with Mr. Edward Porter at the Rocky Glen Sanitarium.

Mrs. Frank Boylan returned Monday from a week-end visit in Columbus with her sister, Mrs. William Metzmaier and family.

Weekend guests of Mr. and Mrs. Charles Crumly were Mr. and Mrs. Charles Edward Crumly, daughter Cherrian and son Johnny of Cincinnati; Mr. and Mrs. Adolph Glommen and children Danny, Shirley, Sue Ellen of Mt. Clemens, Michigan; Mr. and Mrs. Anton Glommen and daughter Sharon Lynn of Rochester, Michigan.

Mr. and Mrs. Joseph Daugherty and sons Richard and Roger, Mrs. Harold Glass and family spent Sunday with Mr. and Mrs. William Goble of Jamestown. They also visited with Mrs. Mary Slusher, Mr. and Mrs. Gerald McClain and family in that vicinity.

Miss Juanita Roberts of this city returned Saturday from a three weeks motoring trip through the west. Points of interest visited included the Petrified Forest in Arizona, Catalina Island, California, Hollywood, Mormon Temple, Salt Lake City, Utah, Boys Town, Nebraska and Tijuana, Mexico.

Mr. Fred Cameron returned Saturday from Jackson where he attended the ninth annual Apple Festival. While there he was the guest of Mr. and Mrs. Herbert Bennett.

Among those from this city attending the Ohio State-Missouri football game in Columbus Saturday were Mr. and Mrs. Willard Perrill, Mr. and Mrs. Robert Terhune, Mr. and Mrs. Leonard Korn, Mr. and Mrs. Bill Anderson, Mr. and Mrs. Carroll Halliday, Mr. and Mrs. Ormond Dewey, Mr. Perce Harlow, Mr. Fuller Jefferson, daughter Holly, Miss Florence Cook, Mr. and Mrs. Sam Douds, Mr. and Mrs. Willis Coffman, Mr. and Mrs. Dick Sanderson, Mr. and Mrs. Dutch Rife, Mr. Arthur Leland, Mr. Einar Jensen, Mr. and Mrs. Richard Rankin, Mr. and Mrs. Charles Dunion.

Mr. and Mrs. Frank Pinkerton of Lynchburg, Mr. and Mrs. Albert Chaplin of Hillsboro and Miss Wilma Kern of this city spent Sunday afternoon with W. E. Roberts and daughter Juanita.

Mrs. G. N. DeWitt, Mr. and Mrs. James Lothus, Mr. Jay DeWitt of Norwood were Sunday guests of Misses Alice and Miriam Perdue, Edith Wilson, Mr. and Mrs. Frank Peak.

Classes Organized

The following officers were elected at the high schools for the school year: Senior-president, Darrel Steen, vice president, Shir-

ley Taylor, secretary, Ruth Davis, treasurer, Pearl Whitmer.

Junior-president, Jimmy Murry, secretary Jo Anne Murry, treasurer, Edward Gahn.

Sophomore - president, Effie Moggard, vice president, Don Womacks, secretary, Maxine Taylor, treasurer, Donnie Bob Murry.

Freshman - president, David Porter, vice president, Beverly Blake, secretary, Carolyn Vallery, treasurer, Suzanne Rothe.

Changes In GI Bill Benefits Clarified by VA

VA to Judge Whether Course Fits Career Objective of Veteran

Attention, puzzled vets! For those veterans wondering just where they stand regarding education or training under the G. I. Bill, the VA has made clear some recent regulation changes.

Veterans who have interrupted their courses for summer vacations or other valid reasons, and are resuming them in the fall semester are not affected.

Neither are those who have never taken any training under the bill. The latter just to bring a copy of their discharge papers to any VA office to obtain a new-type certificate of eligibility.

The new regulations of the VA are aimed at safeguarding the interests of the veteran and the government and preserving the educational benefits of the G. I. bill.

It is intended to cut out those schools that have been reaping a harvest by offering courses in everything imaginable.

In line with this policy, new certificates of eligibility will include both the name of the course and the approved school at which the veteran is taking it.

The new regulations pertain to veterans who have completed or discontinued courses under the bill and who now wish to take additional training at government expense.

Such veterans must show the VA that their new course is essential to their employment objective and is not avocational or recreational.

This takes in vets who stopped a course of their own accord or else were dropped because their progress was unsatisfactory.

The VA says that G. I. bill training asked for by a veteran after he has completed or discontinued a previous course will be considered avocational or recreational, unless he submits justification that the course is "essential to his employment."

The VA has defined courses it feels must be justified:

(1) correspondence and part-time courses, except part-time courses for which academic credit is awarded;

(2) a vocational course offered by a school set up after June 22, 1944;

(3) courses in dancing, photography, personality development, all single-subject courses not part of a general educational or training program leading to a definite objective.

But the VA added veterans who never had any training under the G. I. bill will not need justification for courses in approved elementary, secondary schools or institutions of higher learning or full-time vocational or business courses by eligible schools.

In determining whether the veteran's justification is valid, the VA will consider his age and educational and occupational attainments.

The veteran can receive advice and guidance from the VA before a final decision is made on his particular case.

No eligibility certificate held now by the veteran can be used for a course that requires justification.

If he is taking additional training, having completed or discontinued a previous course and his certificate was issued before September 1, 1948, he should surrender it at a VA office for a new form which lists course and school.

But vets who get certificates after September 1, 1948, and never used them for any kind of training, can utilize those certificates until March 1, 1950.

For those vets who changed courses or schools and got supplemental certificates issued before September 12, 1949, their certificates are good for current fall terms until November 1.

From November 1, 1949, to March 1, 1950, just those supplemental certificates obtained for changing schools will be valid.

After March 1, 1950, all supplemental certificates will be void.

Transportation facilities of any type or class can be obtained easily and safely through our nation-wide representatives... whenever and wherever sorrow occurs.

Sheridan's Grocery Changes Ownership

Sheridan's Grocery at 730 Leesburg Avenue changed hands this week, it has been learned from Harold Sheridan.

New owner of the business is Russell Riggs of Bainbridge, a former resident of Fayette County. Riggs plans to move his family here soon. The building which houses the business belongs to H. R. Sheridan, 1104 North North Street.

It formerly was operated by his son, Harold. Involved in the transaction, which occurred Wednesday, are the equipment and groceries in the store.

PTA Group Sets Halloween Date

Program To Be Held In New Martinsburg

Members of the New Martinsburg PTA made plans for their annual Halloween program, scheduled October 18, at a meeting held this week at the New Martinsburg Town Hall.

Committees were appointed and plans made to present prizes to the ugliest, prettiest and best dressed couples.

The following persons were placed in charge of working out details for the following: Coke walk—Mrs. Nathaniel Tway, and Mrs. Raymond Eubanks.

Fish pond—Mrs. Emmett Hudnell, Mrs. Frances Penwell and Mrs. Dessie Hicks; candy, Mrs. Saylor Wilson and Mrs. Carl Simmons; refreshments, Mrs. Frances Rowe, Mrs. Ted Riley, Mrs. Eldon Marshall, Mrs. C. A. Wilson and Mrs. Willis Handley.

The meeting this week was the first for the fall term. At the business session members voted to purchase a sand table for the lower room and paper towels for the use of all pupils.

It was announced that the Forest Shade juvenile Grange is placing a mailbox in front of the school as a part of its program of community service.

Mrs. Frances Penwell was appointed to purchase the paper towels.

Committees Appointed
The following persons were appointed to serve on the committees listed: devotionals, Mrs. Willis Handley and finances, Billy Smith, Robert Cockerill and Mrs. Fay Washburn.

Mrs. Raymond Eubanks gave a reading entitled "Do You Just Belong" while Frances Hicks read a poem, "Shine Just Where You Are."

Music was provided by Flora Belle Binegar and Thelma Hicks. Albert Cobb, associate county agent, presented 4-H awards to the following boys and girls following a quiz contest in which they participated; Barbara Riley, Eldridge Cockerill, Flora Belle Binegar, David Riley, Elza Hicks, Joyce Ann Ritter, Helen Crothers, Marlene Flesherian and Edgar Binegar.

Resurfacing Work On Dayton Avenue
Work of resurfacing Dayton Avenue is now well under way, and the first coat was completed Saturday.

The contractor, O. E. Liller, London, completed the first course on North Street from Court to the corporation line, Friday, and moved to Dayton Avenue where the work is progressing rapidly.

Dayton Avenue will be resurfaced, and Route 35 from the Dayton Avenue down Water Street, and east on Temple to Fayette and Fayette to Court, then the work of resurfacing Clinton Avenue, West Court to Hinde and north on Hinde to Market, will get underway.

1, 1950, just those supplemental certificates obtained for changing schools will be valid.

After March 1, 1950, all supplemental certificates will be void.

Transportation facilities of any type or class can be obtained easily and safely through our nation-wide representatives... whenever and wherever sorrow occurs.

WHS Band Fund Boosted by Check

CHECK FOR \$646 is presented by Bob Terhune (second from left above) to William Clift, Jr., director of the WHS band in the city school superintendent's office. The check, representing what is left over from a reserve fund set aside for the WHS band's trip to New York will go into the band fund. Looking on are Ambrose Elliott, president of the Lions Club (extreme left) and Stephen Brown, superintendent of schools. (Record-Herald Photo)

Bob Terhune, who was largely instrumental in raising a fund to send the WHS band to New York City, Wednesday presented a check for \$646.58 to bandmaster William Clift Jr.

The check represented a reserve fund which the band fortunately found no call for during its Eastern trip.

Clift said he would use it to help "fix up" the old high school gym, which is to serve as a practice room for the band, to buy uniforms, music sheets and instruments.

The check came at an appropriate time, when the band's fund was almost depleted. It was presented Wednesday in the superintendent's office.

It represents what was left over from a fund of \$5,855.81 raised to send the band to New York and through the East on a five-day tour.

Of the amount raised, \$2,439 represented contributions and \$1,500, the Ohio Lions backing.

Other money came from the following sources: band concert, \$601; concessions, \$50.96; food sale, \$70 and magic music review, \$526.94.

Biggest expenditure of the band went for the train fares to the various Eastern points. This total was \$2,730.60.

of Dayton were Sunday dinner guests of Mr. and Mrs. Paul Hyer and family.

Mr. and Mrs. Hansel Spears returned home on Saturday after spending two weeks visiting friends in Illinois, Minnesota and Wisconsin.

A large crowd attended the picture show and amateur hour at the local theatre on Friday evening with 1st prize going to Dick Smith local tap dancer.

Mr. and Mrs. Ralph O'Brien of Springfield spent Thursday with Mr. and Mrs. Raymond O'Brien.

Mr. and Mrs. Joe Clawson and son spent the weekend with Mr. and Mrs. Harry Knasal and family at Snon.

Eastside Room Mothers Named

Plan Teachers' Party And Pick Committees

Mrs. L. C. Scott was elected president at the first meeting of the Eastside School Room Mothers at the school building.

Room mothers were also appointed for each grade and class. The group also made plans for the teachers' party, to be held sometime in November.

The room mothers also decided to sell all-purpose greeting cards to raise funds for the children's holiday treats.

A copy of the State and National Parent-Teachers Magazine was passed around to the members present and recommended for reading.

Committees were also appointed for the year.

Room mothers for each class were selected as follows:

Mrs. Nell R. Paul's 1st grade; Mrs. W. W. Humphries, chairman; Mrs. William Clift and Mrs. Charles Gallagher

Miss Priscilla White's 1st grade; Mrs. Ben Garringer, chairman; Mrs. John Pymire and Mrs. Stanley Sanders.

Mrs. Mary M. Crone's 2nd grade; Mrs. Richard Moore, chairman; Mrs. Robert Fisher; Mrs. Paul Rodenfels; Mrs. Willis Chrisman and Mrs. James Johnson.

Mrs. Joseph Waddle's 2nd grade; Mrs. Rolland Chase, chairman; Mrs. Paul Mohr; Mrs. Virgil Bentley; Mrs. Robert Andrews and Mrs. Lawrence Pollard.

Mrs. Ruth Barker's 3rd grade; Mrs. Marvin Roszmann, chairman; Mrs. Charles Hire; Mrs. L. L. Kirk; Mrs. Paul Cummings; Mrs. Hazel Smathers and Mrs. Charles Hooks.

Mrs. Dorothy S. Crone's 4th grade; Mrs. Emmett Backenstoe, chairman; Mrs. Jack Knisley; Mrs. Joseph Peters; Mrs. Ted Klue; Mrs. Ada Babb and Mrs. James Shoemaker.

Mrs. Dorothy T. Stanforth's 5th grade; Mrs. Russell Miller, chairman; Mrs. Charles Sheppard; Mrs. Otis Core; Mrs. Kenneth Chaney and Mrs. James Rose.

Mrs. Ruth Hopkins' 6th grade; Mrs. John O'Connor, chairman; Mrs. Donald Parrett; Mrs. Albert Bryant; Mrs. Ed Cunningham; Mrs. Norris Crissinger; Mrs. Kenneth Craig and Mrs. Robert Whitaker.

Four Insurance Men Here Planning To Attend Convention

Four insurance agents here are making plans to attend the 52nd annual convention in Dayton of the Ohio Association of Insurance Agents, October 17 and 18.

Richard Willis was appointed Fayette County attendance chairman for the meeting by Carl A. Cluck of Youngstown, president of the state organization.

Mac Dews, Paul Pennington and Bob Jefferson are members here who indicated they may attend the convention.

There is a total of six insurance agents here who belong to the association.

Over 600 agents are expected at the Dayton meeting, which is strictly business in nature and serves a variety of purposes.

Association members are brought up-to-date on the latest legislation affecting them.

Test cases and rulings on various-type claims are explained as well as technicalities that have developed on some insurance policies.

Speakers at the first day's luncheon meeting will be Charles F. Butler of New York, executive vice-president of the National

Conference Of Presbyterians Scheduled Here

Meet Set For Tuesday Night; Officers and Laymen Are Invited

Announcement was made Monday by the Presbytery of Columbus that a conference has been scheduled in the church basement of the First Presbyterian Church here at 7:30 p. m. Tuesday.

All laymen and church officers are urged to attend the meeting, which has been called to acquaint them with the church support and service programs.

The conference here is the first of a series of five planned at various churches in the Columbus Presbytery.

Two conferences have been scheduled for Wednesday night, one in Lancaster and another at the Broad Street Presbyterian Church in Columbus.

Thursday a conference is scheduled to be held in the Chillicothe Presbyterian Church and next Sunday a conference has been set at the Indianola Presbyterian Church in Columbus.

All the meetings have been set for 7:30 and plans made to pass out materials for the use in a canvas of church goers and prospective church goers. A motion picture, "And Now I See" will be presented at each of the conferences.

Information as to the church's program of benevolence quotas will be presented to those who attend the conferences.

On the basis of the recommendation of the General Council the Washington C. H. First Presbyterian Church has been asked to accept as its benevolence quota for 1950 an amount which is 25 percent of its budget.

Willis B. Kilpatrick, chairman of the united promotion committee, of the Presbytery of Columbus, will be present at the conference here Tuesday night.

Former Resident Dies Saturday

Daniel P. Rodgers, 64, veteran newspaper printer, died in Springfield City Hospital Saturday, after a long illness.

He was a native of Fayette County and former president of the Springfield local of the International Typographical Union. His son, Richard A. Rodgers, Columbus, is a member of the Ohio State Journal editorial staff.

*He was a veteran of World War I, and held various offices in Springfield organizations.

Surviving are his widow, and four sons: Richard A. Columbus; Robert and James of Springfield, and John with the U. S. army in Austria.

Friends may call at the O'Brien-Kenny Funeral Home.

Services Wednesday at 9 A. M. at St. Raphael's Catholic Church, Springfield, and burial in Calvary Cemetery, Springfield.

Young is Taken To Penitentiary

Harold (Chicken) Young is now in the penitentiary.

He surrendered here last week after having been a fugitive from justice for 13 months, following his escape from the Fayette County jail after he and five others had overpowered Deputy Sheriff Guy Carter.

Young had been in California most of the time since escaping from the jail. He was the only prisoner who was not recaptured within a few days.

Young was sentenced to one to three years on a breaking and entering charge.

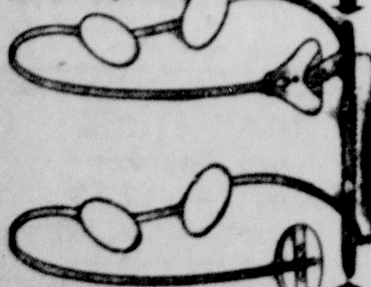

Joint County Ditch Hearing Is Held

A joint county ditch hearing was held in the commissioners office at the Court House here Monday, with the Fayette County commissioners, and Rodney Plymell, Glenn Daugherty and George Taylor of Madison County, in attendance.

The ditch is the Hays-Yates ditch in Madison and Range Townships, and a number of property owners attended the hearing. View of the ditch was held September 23.

County Courts

DIVORCE GRANTED

Roberta Williams, a minor, has been granted a divorce from Fred Williams, a minor, on grounds of gross neglect of duty. Mrs. Williams was restored to her former name of Roberta Jones.

DIVORCE SOUGHT

June Charlene Hidy, in a suit for divorce from Harry Hidy, filed in common pleas court, states that she was married to the defendant January 14, 1946, and has one child. Extreme cruelty is alleged in the petition. Custody of the child and certain household goods is asked by the plaintiff.

CASE CARRIED UP

Ruby Payton, against Glenn Upman, is the style of a bastardy case filed in common pleas court, where it has been appealed from the court of Justice S. P. Ludwick, in which the defendant pleaded innocent.

DIVORCE GRANTED

Willie F. Spurgeon has been granted a divorce from Mabel C. Spurgeon, on grounds of willful absence. Plaintiff pays costs of the case.

AWARDED DIVORCE

Dorothy Jett was granted a divorce from Glenn Jett on grounds of gross neglect of duty, and custody of a minor child was awarded to the plaintiff. The defendant is to pay \$8 weekly for support of the child.

MARRIAGE APPLICATIONS

Charles Lee Burgess, 21, farmer, city R. 6, and Hazel Eileen Robson, 18, clerk, Bloomingburg. William Eugene Smith, 19, foreman, city, and Virginia Irene Stackhouse, cashier, 17. Lawrence Earl McColla, 30, Fruitdale, and Bertha May Ford, 32, Good Hope.

REAL ESTATE TRANSFERS

Sada Doster Trump, deceased, to Helen Doster Trump, by certificate, property in Robert Morris subdivision.

Ralph I. Rannett, et al., to O. C. Kneisley, 41 square poles, Madison Addition.

Jennie Patton, deceased, to Dallas H. Patton, et al., part of lot 3, Melvin Addition.

Guest Speaker At Forest Shade Event

Rev. Lewis B. Rogers of Washington C. H., a missionary for 30 years, will be guest speaker at the booster night of Forest Shade Grange at 8 P. M. Wednesday.

The event will be held at the New Martinsburg Grange Hall and there will not be a potluck supper as previously planned, announced Lecturer Phillip Purcell.

Musical entertainment is also on the program for the annual event, which is an open meeting with the public invited.

Joseph McClure is the Grange program chairman for booster night.

Refreshments will also be served by a committee in charge of Miss Louise Ritter. She will be assisted by Irvin Ritter, Maggie Ritter and Winifred Morgan.

Purse Containing \$279 Is Missing

William Cook, city, reported to the police over the week end that a billfold containing \$279 was missing from his pocket, and he expressed belief that he had been robbed.

Police are investigating the matter.

Don Hilte Is Appointed To State Post

Don Hilte, who had charge of arrangements for the Cooties' meeting here this weekend, was honored by the grand commander when he was picked as grand deputy chief of staff for the state of Ohio.

One of the highlights of the Cootie conclave here was a first and second degree initiation held for ten new members of the VFW military order.

Those taken in from Washington C. H. included Roy Morris, Delmar Gilbert, Harold Justice, Bob Tillet, Albertus Abel and Herbert Woodruff.

The initiation ceremony was held at the Fairground, with various Cootie leaders from all over the state taking part.

A parade was held Saturday night for one of the largest crowds ever assembled along Court Street. Hilte said the parade would have been considerably larger if more Cooties had shown up.

He said due to some misunderstanding the majority of the Cooties didn't arrive until late Saturday night.

Hilte said there were nearly 200 Cooties here for the initiation. They came from Cincinnati, Foster, Middletown, East Liverpool, Canton, Findlay, Columbus and Newark among other places.

The Cooties decided to hold their next meeting in Cleveland October 2. At this time officers will be elected.

George B. York Called by Death

George B. York died at 2 P. M. Saturday at the Winters Nursing Home here.

Born near Waverly, he was a member of the Greenfield Methodist Church and a retired farmer. Mr. York was preceded in death by his wife, Minnie, in 1935.

Surviving are a brother, John York, of Washington C. H. and a sister, Mrs. Ida Flynn of Greenfield.

Services will be held at 3 P. M. Tuesday at the Struve Funeral Home in Greenfield, with Dr. T. T. Crawford in charge.

Burial will be in the Greenfield Cemetery. Friends may call at the funeral home at any time.

Lowest Temperature Comes Sunday

The mercury Sunday night skidded to 36 — lowest temperature recorded here since last spring, to Coyt Stookey, the government weather observer here.

It gave residents here a sample of what fall weather is really like. Summer officially came to an end last Thursday.

The low Sunday night was only a degree below the 37 which the mercury recorded last Sunday night.

Previous lows this season came September 16 and 23 when the mercury went to 42.

Two Arrests Made By Police Here

Creighton Lephart, on a reckless operation charge growing out of traveling 50 miles an hour on Columbus Avenue, posted \$35 for appearance when arrested by police.

John Charles Edelblute, city, R. 4 was picked up on a drunk and disorderly charge.

The Old Home Town

By Stanley

Selden Grange Booster Night

Selden Grange will observe booster night Thursday evening, at the Conner schoolhouse. The meeting will be preceded by a covered dish supper at 6:30 P. M.

The program will include the reading of a booster night message from the National Grange Master, Albert S. Goss. There will be special music and the showing of a new wildlife picture, "Ohio Wildlife at the Cross Roads". This is a 30 minute color sound movie. The pictures were produced by Karl Maslowski, a nationally known field naturalist, of Cincinnati, assisted by W. W. Goodpaster, and depicts in vivid sequences wildlife's struggle for survival.

This is to be an open meeting, and anyone interested in agriculture, and soil and wildlife conservation, and an understanding of Grange purposes and ideals - is invited.

Please bring table service.

Joseph E. Blake Dies at His Home

Joseph E. Blake, 38, died at 10 A. M. Sunday at his home in Sumnerford, Madison County.

A native of Pike County, Mr. Blake was a former resident of South Solon and lived most of his life in Madison County.

He is survived by his widow, Mildred, a daughter, Joyce and a son, Marvin.

He also leaves his parents, Mr. and Mrs. Gilbert Blake, of Beaver; two sisters, Mrs. Clara May Hakes, of Springfield, and Mrs. Clara Fay Baptist, of Beaver and three brothers, James, of Vandalia, Edward, of Jackson and Charles of Beaver.

The Sprague Funeral Home of South Charleston is in charge of arrangements.

Services will be held at the funeral home at 2 P. M. Wednesday. Burial will be made in South Solon Cemetery.

Friends may call at the late residence any time between Tuesday morning and Wednesday afternoon.

State Patrol Arrests Many

One Drunken Driver Included in List

State highway patrolmen made numerous arrests in this county over the weekend, and one intoxicated driver was included in the list.

The list included: Oliver Mossbarger, Mt. Sterling, \$15 and costs in police court here for excessive speed.

Walter E. Julius, Cincinnati, \$15 and costs for excessive speed, in Justice R. H. Sites court.

William F. Smith, Cincinnati, for crossing yellow line, posted \$25 in Justice Sites' court, and forfeited the bond.

Sam Groves, Sabina, drew \$10 and costs for crossing a yellow line.

Harold L. Moyer, route 5, was fined \$50 and costs on a reckless operation charge.

Wm. Mathers, Cincinnati, paid \$15 and costs in Sites' court on a reckless operation charge.

Ralph Eads, Dallas, Tex., left \$10 and costs in Mayor A. A. Fisher's court, Sabina.

Delmer Vineyard, Sabina, \$15 and costs on a speeding charge, assessed by Justice Sites.

William Roberts, Sabina, was fined \$150 and costs here on a driving while drunk charge.

Forget-Me--Not Sale Nets DAV \$176.88

Sale of forget-me-nots here Friday and Saturday netted the DAV \$176.88—according to Mrs. Sherman Bowen, one of those in charge of the sale.

She said there were approximately 4,000 of the forget-me-nots sold in Washington C. H.

Money raised from the sale will go to take care of sick and wounded veterans and their families.

The gross from the sale was about \$250.

Prizes were given to youngsters who helped sell the forget-me-

nots. Paula Turnpseed won \$5 for selling the most. Myrna Redden was given \$3 for taking second and Rose Ann Beedy was presented with \$2 for taking third.

Mrs. Bowen said she wanted to thank patrons of Washington C. H. for buying the forget-me-nots and various clubs here which helped sell them.

All the forget-me-nots sold here were made by disabled veterans in VA hospitals.
